Extracurricular sports in which Student wishes to participate

School Year

I am the parent or guardian of the student identified above. I wish for my student to participate in the elective extracurricular athletic program identified above.

I understand that practices /scrimmages/games for this elective athletic program may be conducted at a location away from my student's campus. I understand that in certain circumstances the School District may provide transportation to and/or from such events. In requesting that my student be permitted to participate in this elective athletic program, I agree that my student will ride in District-provided transportation when the District requires my student to do so.

I further understand that in certain circumstances the School District may not provide transportation for such events. In requesting that my student be permitted to participate in this elective athletic activity, I agree that in those circumstances where the District will not provide transportation to such events, I assume full responsibility for personally transporting my student, or for arranging transportation of my student, to and from such events. I further understand that in the event that I will be driving students other than my own child, that I am required to carry a minimum of \$100,000/\$300,000 auto liability insurance and that a copy of my policy will be on file in the Grass Lake Athletic Department files and that a record check of my driver's license will be completed.

I acknowledge that if I elect not to personally drive my student to and from an event for which the District does not provide transportation, any decision I may make to instead allow my student to ride in a vehicle driven by the parent or guardian of another student participant, is solely an exercise of my discretion as a parent/guardian. I acknowledge that the assessment and decision as to whether it is safe to allow my student to drive to or from a particular practice, or to ride with another parent or guardian or student driving, is a family assessment and decision to be made by me or between me and my student.

By requesting permission for my student to participate in this elective athletic program, I agree that no person driving my student to or from an athletic event for which the School District is not providing transportation shall be considered an agent or servant of the School District, in any respect or for any purpose, while driving my student to or from such event. Further by requesting permission for my student to participate in this elective athletic program, I agree that should any claim be made against the School District based on the driving conduct of any such person while that person is providing transportation for my student, I will defend, indemnify, and hold the School District harmless as to such claim.
